ARTIST STATEMENT

"Know yourself" (Γνώθι σεαυτόν, Gnothi seauton) was the phrase written on the pediment of the temple of Delphi in ancient Greece. The horse is a hypersensitive armor, a sort of Trojan horse, which I use as a gateway to enter into my feelings and my memories. The characters and places that appear, are parts of my childhood. When I create my rooms I don't seek a logical order and I don't intend to tell something directly about me. I don't want my work to be autobiographical, however I want to employ my feelings to go beyond myself.
