ARTIST STATEMENT

Yosman Botero Gomez was born in the city of Cúcuta - Colombia in 1983. He graduated in fine arts in 2010 at the University of Antioquia in Medellín-Colombia. His work blends easily between different creative elements addressing drawing, painting, video and installation, his short career has been highlighted by his achievements through various honors and awards. His work focuses mainly in the pictorial representation creating a tridimensional effect using many layers of painted glass, in order to confront a work of art with the observer
